ABOUT THE BOOK OVERCOME YOUR LIMITING BELIEFS TO ACHIEVE THE IMPOSSIBLE

IN THIS TRUE AND TIMELESS INSPIRATIONAL STORY, a single mother of two relies on her faith instead of her limited finances to pursue her daughter's dream of meeting her teen idols—Michael Jackson and the Jackson 5.

Embarking on a daring 3,000-mile, coast-to-coast bus trip, Sondonia Luckie demonstrates how:

- Your genuine love for others can sometimes drive you to act in ways that seem irrational to those around you.
- You can achieve your most far-fetched dreams by taking risks, making sacrifices, and stepping outside of your comfort zone.
- You don't have to know the end in order to begin. The best thing you can do is to step out in faith.

In *Journey to the Jacksons*, author Sloan Luckie takes a nostalgic trip back to the early 1970s to pen how his mother made unbelievable sacrifices and bold moves, so his sister, Colette, could meet the ultimate celebrities of her time. The result was the experience of a lifetime for the Luckie family—one that proved to be far beyond luck.
